THE SPACE

Housed within an iconic architectural landmark, Arcade blends Art Deco character with production-ready sound, lighting, and modern design.

Arcade can accommodate up to **670 guests**. Spanning three interconnected environments, Uptown, Midtown, and Downtown,

The venue can function as individual settings or merge seamlessly into one immersive experience.

From large-scale corporate events and brand activations to intimate social gatherings, Arcade is designed to expand, transform, and leave a lasting impression. If you can imagine it, we can build it.

One venue. Three spaces. Endless possibilities.
